... is committed to becoming, ever more fully, a learning community

School Vision

Learn to love and love to learn

At St Pius X Catholic Primary School, the values lived by Jesus Christ are the foundation for everything we do.

Our School Motto **-Faith and Friendship-** inspires us to celebrate our faith in the spirit of service to others. Relationships of mutual respect, support and trust exist between students, parents and staff. We commit ourselves to our school actively and generously.

Our learning environments are challenging and contemporary. We encourage personal excellence with authentic ways of defining and recognising success. Students learn the value and skills of effective collaboration. Within a genuinely pastoral environment, the wellbeing of all students is monitored and enhanced.

As a community, we SEARCH for ways to provide the best educational opportunities and resources for our students. Our decision-making processes keep our students at the forefront. At St Pius X we work with courage and compassion.

As a place of joy, we take time to celebrate life together.

St Pius X is a community of hope. We believe in the future of our children.
