What’s happening in Kindy?

This week in Kindy we will talk about Holy Week, with the focus being on new life. We are hoping that our final butterfly will emerge from its chrysalis this week, a true sign of new life!

We will be reading the story ‘We’re Going on an Egg Hunt’, sequencing the parts of our story and listening to the beginning sounds in words.

We will continue to focus on matching numbers with our counting. We will begin to subitise numbers, where we look at a number of objects and can tell the number without counting, a very important Mathematics skill.

On Thursday we will be having a ‘surprise’ egg hunt, where the children will work with a partner to find eggs that match the numbers in their collection container, it will no doubt be a lot of fun!

Have a wonderful and safe Easter break!

Important Information

Teacher - Parent Interviews for Kindy will take place in weeks 8-10.

The Kindy and Year 3 Holy Week liturgy will take place on Thursday 24th March at 9am. We will open the doors early on this day to ensure the students are ready.
