This week in Kindy we will be talking about our emotions. We will talk about the way we feel in different situations and how our actions can make other people feel. We will discuss how our bodies show different feelings. We will talk about several emotions, but this week we will focus on being happy and loved.

**Literacy**

Our sound focus for this week will include the short ‘c/k’, ‘p’, ‘b’ and ‘d’ sounds. We will be practicing our rhyming and beginning to come up with our own words that rhyme. If you haven’t already, I’m sure you will begin to hear a lot of rhyming at home in the next few weeks!

**Numeracy**

Matching and ordering numbers will be our focus this week. We will also be putting our measuring skills to practise as we make the final measurements of our plants.

**Growing Plants**

Our plants have been growing so well, they are now getting too big for the little pots. We will be making our final observations with our buddies this week and bringing home our plants to put in our gardens. Hopefully they continue to grow as well at home as they have at school!

**Busy Bee**

We are going to have a busy bee on the last Wednesday of the term. If you are able to assist, we would be very appreciative of your help!
