This week in Kindy we will continue to talk about our feelings, with a special focus on feeling sad and how we can be brave.

**Literacy**

Our sound focus for this week will include the short ‘c/k’, ‘p’, ‘d’ and ‘g’ sounds. These sounds are quite difficult for our little ears to distinguish between and require a bit of extra work. We will also be reading the story ‘The Very Brave Bear’ by Nick Bland and talking about what makes the bear a brave character.

**Numeracy**

Counting on and counting back will be our main focus this week. It is important to be able to continue counting forwards and backwards from any given number as this will help us with our adding and subtracting.

**Showing our Emotions**

We have been showing our emotions in lots of ways during our learning and will continue to do so this week. We will paint pictures of how we can be brave, make Mr Potato Head faces and show different emotion faces with the playdough.

**Art Exhibition**

We are also busy finishing off some very special pieces of artwork for the exhibition on Friday night. We think our Kindy kids are very talented indeed! We can’t wait for you to see our work on display.

**Busy Bee**

We are going to have a busy bee on the last Wednesday of the term, from 9:10-10:30am. If you are able to assist, we would be very appreciative of your help!
