Year 4 Term Overview
Term Two
2016

Religion Units
The Spirit who Strengthens [Confirmation]

Creator of Human Life [Jesus]

Literacy
We will continue to explore a range of comprehension skills and strategies through whole class lessons and guided reading. As a class we will explore the novel ‘Tom Appleby Convict Boy’ by Jackie French, which relates to our History topic. In writing, we are learning to build detailed and structured paragraphs. This term we will practice narrative writing, including historical narratives.

Numeracy
In Number, we are continuing to revise addition and subtraction strategies and will be focusing on developing efficient mental and written strategies for multiplication and division. We will also explore volume, area and capacity in measurement, as well as mapping skills and collecting data.

Humanities and Social Sciences
In History, we will be exploring the inquiry question ‘Why did the Europeans settle in Australia?’
In Geography, we will explore the inquiry question ‘How does the environment support the lives of people and other living things?’

Technology
This term we will explore how to use technology as a tool for our learning, this includes choosing the right apps and when technology is required as well as building on our skills from last term.

Health
This term in Health, we will explore ‘Being healthy, safe and active’. Also, we will continue to explore ‘cyber safety’.

Science
Students will be exploring the unit ‘Smooth Moves with Mr. Wilkie.’

*CHANGES: Library is now on Friday.
