

Week 2

Important notices:

It has been lovely to meet you all over the past two weeks and it has been wonderful getting to know the children!

- When you arrive in the morning please read a story or complete a puzzle with your child. We ask that you do not allow your child to play in the centres as these have been set up ready for our day.
- Thank you to all the parents that have offered their time to help with any of the classroom rosters.
- Please ensure the children wear sport shoes on Thursdays as we will be working on our gross motor skills on the school oval.
- In Week 4 we will be learning about our families. Could students please bring in a photo of their family that they can share with the class.

This week in Kindy:

This week in Kindy we have continued to develop our classroom routine and learning about how we work with our friends in the classroom. We are learning about sitting on the mat quietly and taking turns when speaking and listening.

It is important that our Kindy children have a strong sense of being. This week we have been looking at ourselves in the mirror and creating and drawing self-portraits. We are also learning to identify our own names and trying to write them.

We love reading in Kindy and this week we have read Marvellous Me, Whoever You Are and When I get Bigger. We have also been doing a lot of singing and dancing.

This week we started our Cosmic Yoga journey and practiced our gross and fine motor skills.

In mathematics we are learning our colours, shapes and practicing counting from 1- 10.

Email Contact:

If you have anything you would like to discuss with me at any point please do not hesitate to make a before or after school appointment with me.
