

Week 4

This week has been all about ladybugs! We read 'The Very Grouchy Ladybug' and 'The Lazy Ladybug'. We created our own stone ladybugs and used paper plates to create ladybugs too.

The Grouchy Ladybug
Eric Carle

This week we introduced a new dramatic play area for the children to engage in- The campsite. The children loved playing in it and it was amazing to hear the conversation and language that was developing as they played.

We also got a boat in our outdoor learning area! We are so excited and looking forward to all the fun we can have in it,

In numeracy we explored different patterns using a wide range of loose objects. The children learnt that patterns can be everywhere and enjoy creating lots of different patterns.

Thank you to all the mums for coming to our Mother's Day celebration. We had a beautiful afternoon spoiling the very important people in our lives and we hope you all left feeling relaxed (and able to get the nail polish off!).

Important dates/ things to remember:

- We will be starting to learn all about letters from now on until the end of the year. Each week will have a special letter and each Thursday I will ask students to bring an object from home starting with this letter. I will email you each week regarding this!
- As the winter weather sets in, please bring in a pair of gumboots for your child to wear during outdoor play.
- Library borrowing will occur each **Wednesday**. Children will need to bring a 'library bag' to school to place their books in. These books will be swapped each week. Children cannot borrow a book if they do not return their previous book.
- Oral Based News (show and tell) will continue throughout the term. Please help your child prepare for this and check the roster on the classroom door.
