

Week 5

ARRRGGGG Spiders have been the main focus in kindy this. We loved reading another Eric Carle Book 'The Very Busy Spider'.

This week we used our fine motor skills to thread our own spider web, some of our webs even caught flies!

We also started learning about the letter **S**. We learnt about how our mouth should look when we make the S sound and which words start with the S sound. On Thursday, the children were asked to bring in an object from home that started with the letter S. Here are some examples of what the children brought in to share with the class.

Sushi

Sword

Squirrel

On Thursday Angelique brought in some stick insects for us to look at. Some observations from the children were:

- 'it is camouflaged'
- 'they don't move when they are scared'
- 'they have long legs'

Important dates/ things to remember:

- **Please be aware that our library day this week is TUESDAY. In order to make this process easier for the children we will leave a tub out by the door for children to return their books as they enter the class.**
- We will be starting to learn all about letters from now on until the end of the year. Each week will have a special letter and each Thursday I will ask students to bring an object from home starting with this letter. Next week will be the letter **M**.
- As the winter weather sets in, please bring in a pair of gumboots for your child to wear during outdoor play.
- Oral Based News (show and tell) will continue throughout the term. Please help your child prepare for this and check the roster on the classroom door.
