

## Our Week in Year One Week 7 Term One 2017

### Things to Note.

Our room is now a tribute and display of Learning Journeys based on the stories by Eric Carle. Come in and Share them with us!

### **Assembly Item Friday Week 7.**

Our Assembly item will be presented on Friday 17 March 9.00am. It will be Harmony Day and our presentation will have a 'unity' theme. I am hoping that each child will be able to wear either a yellow or orange tee shirt with their school shorts and usual sports sneakers.  
**ORANGE TEE SHORTS AVIALABLE FORM KMART FOR \$3.00**

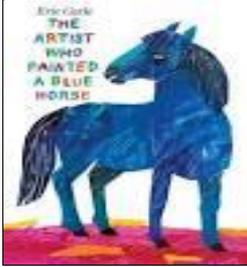

**Library:** Thursday 2.30 so please ensure your child brings along his/her library bag on Fridays. Books need to be returned before borrowing other books

### **History.**

We continue our discussion about how things change over time. This week we are looking at life in the kitchen in days past. We have a set of old kitchen scales on display in our room. If you have old cooking equipment we would love to see it! The children will enjoy looking at the kitchen at Woodbridge House as it is well preserved and looks much the same as it did 100 year ago.

**Literacy.**

This week our Book of the Week is 'The Artist Who Painted a Blue Horse'. The artist in this book paints the world as he sees it, just like a child. There's a red crocodile, an orange elephant, a purple fox and a polka-dotted donkey. More than anything, there's imagination. Filled with some of the most magnificently colorful animals of Eric Carle's career, this tribute to the Creative life celebrates the power of art.

**Religion**

This week we continue our Lent theme. *We continue to discuss the concept of New Life. This week, we link our discussion with art. We will create autumn leaves and talk about new life after winter.*

**Spelling.**

We are looking at letter 'y' in words.

A little late with our spelling, so we will have our test on Tuesday. So no new words Monday night, just review.

Children are to write the words, with each letter in one strawberry, except for digraphs, i.e. where two letters make one sound, " for example.

ON Wednesday, we will begin our new words, look, come, up, and,

**Reading.**

From this week, we will start to record the books that you and share for home reading in the reading logs. Please fill these in starting

**MONDAY** and **FINISHING** Thursday evening and hand them in on

Fridays. Children are assessed with on-going running records and moved to the next level when they are ready.

**Mathematics.**

Mental Maths every morning at 9.00am. This helps to develop mathematical thinking and abstract thinking. It also helps the children become familiar with the language of Mathematics: This week. Place value, number track and a number game focusing on the number grid to 100.

We continue to use our Smart TV as a learning and hands-on teaching aide. We will further explore the Starfall phonics spelling programme delivered online.
