Kindy – Term 4 Outline

Welcome back to Kindy for Term 4!
The children have shown a great interest in **Camping and Animals**, so we will explore these through our class's **"Big Questions"** to guide our learning.

We will also complete the **'Keeping Safe' Curriculum**, where children will learn to:

- Identify four trusted people they can talk to if they have a problem
- Understand how to keep safe in emergencies (Road, Sun, Medicine, and Water Safety)

Images of our learning will be uploaded so you can discuss these topics with your child at home.

Key Learning Areas

Numeracy

- Counting forwards and backwards to 20 using number lines
- Subitising small numbers
- Playing board games to develop turn-taking, one-to-one correspondence, and positional language
- Reviewing informal measurement and graphing

Literacy

- Continuing the Diana Rigg program with a focus on SATPIN sounds and blending
- Exploring focus books through alphabet games, puzzles, and hands-on activities
- Fostering a love of reading – please continue to read aloud at home and bring in favourite books to share

Digital Technology

- Exploring early coding with Bee Bots
- Learning to use drawing tools on the Seesaw app

Religion

- Living like Jesus through daily prayers and kind actions
- During Advent, discussing family Christmas traditions and ways to show love for others

---

Important Reminders

- End-of-Year Concert and Christmas theme celebrations will take place in **Week 9**
- Please ensure all items are named and sunscreen is applied before school
- Don’t forget hats and water bottles each day

Warm regards,
Brooke Kucan
